**VILLAGE OF WESTFIELD
WESTFIELD, NY
VILLAGE OF WESTFIELD - LEAD SERVICE LINE INVENTORY SERVICES**

General Notice

Village of Westfield (Owner) is requesting Bids for the construction of the following Project:

Village of Westfield - Lead Service Line Inventory Services

In accordance with Section 103 of Article 5-A of the General Municipal Law, sealed Bids for the construction of the Project will be received at the office of the Village of Westfield, located at 42 English Street, Westfield, NY 14787, until July 1, 2026, at 3:00pm local time. At that time the Bids received will be publicly opened and read.

The Project includes the following Work:

The Village is working to complete their Lead Service Line Inventory (LSLI) for their potable water system. The Village has recently located and surveyed most of the water shut off valves of its users, but is missing information on the water service pipe material types for many of the services. The project includes the work to perform hydroexcavation of the selected valves throughout the Village water system, and the required restoration. The contractor will be expected to work with the Village to keep records of pre-construction photos, the service line material type, service size, depth on each side of each curb box, and take photos of each excavated service. The work also includes locating the remaining water shut off valves that are known to exist, but have not been found yet, and performing the same hydroexcavation and restoration services.

Sealed Bids are requested for the following Contract: Contract #1: General

Project has an expected duration of 120 days.
